Sublimated to last

Colours, hoops and sponsors are dyed into the fabric, so they won't crack, peel or fade after a season in the wash.

Match your existing kit

Send a photo or an old jersey and we'll match the colours and layout, so new players look like the rest of the team.

One person, start to finish

The same person from first quote to delivery, on WhatsApp, email or a video call.

Pay as a club

Invoiced in euro from Ireland. A deposit to start, the balance before delivery.
